****We Anticipate This Event will be a Sellout****

There are only 100 tickets sold....so get yours now!

*****Actual Number of Firearms in the Elk Country Raffle will be based off of the number of tickets sold*****

THE EVENT: The 1st Annual Red Mountain Gun Fest 2022 will have a buffet style dinner, a silent auction, and several individual raffles, along with the main event of the night... *The Elk Country Raffle!*

Individual tickets are \$275.00, and each ticket will receive a meal one door prize ticket and one ticket to the main event of the evening – the *Elk Country Raffle!*

Sponsor Packages come with two meals and are available at an amazing price! See the enclosed Sponsor Options and choose the package that best suits your style. If your ticket is drawn in *The Elk Country Raffle* you can enter the Second Shot Raffle once for just \$250.00. ****You get a nice tax write-off as well****

THE ELK COUNTRY RAFFLE: Each participant present will place his/her ticket into a container and if you are not present, we will do this for you. Once the tickets are counted, we will begin drawing for the Elk Country Raffle Winners. We will draw the least-expensive gun first and work up to the one with the highest Fair Market Value (FMV) Gun.

How it works... If we draw your ticket, you have 3 options to choose from:

1. Take the firearm and be out of future drawings for the more expensive firearms, OR
2. Refuse the firearm and we draw another name and place your name back into the Tumbler for a chance to be drawn again for the more expensive guns; OR
3. Take the firearm and “buy back” into the Elk Country Raffle for another \$250 (this gets you a chance on the more expensive guns PLUS gets you into the “Second Shot Drawing” as well).

*****If you are not present for the event or have a proxy – you will receive the gun drawn and be notified*****

THE PRIZES: The prizes for this raffle will be *up to 25* long guns or pistols (see the enclosed flyer). You will have better than a 1-in- 5 chance of winning one of these fine prizes! You need not be present to play or win most prizes. There will be door prizes and individual raffles that require the winner to be present or by proxy.

****Number of prizes listed presumes a sellout****
*****Will Maintain a Better Than 1-5 Chance at Winning a Firearm*****

TICKET SALES: ALL tickets are on sale now (Regular and Sponsor Tickets) and will be filled on a first-come first-served basis. Tickets for this kind of event have been known to sell out in as little as one day – so don't delay get your ticket today! You can get your tickets in the following ways:

1. Contact Ron Pittman (928)308-9545 or rpittman@rmef.org
2. Fill out and mail in the attached ticket order form to: John Tuter 10634 E JENSEN ST Mesa, AZ 85207
